

IP69 Waterproof and Corrosion-resistant and Wind-resistant and Anti-interference

Aluminum Alloy Die-casting Case

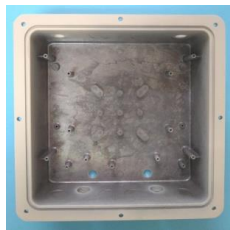

IOP-WMDC-2P2L6N6N-D (Double Under Cover)

Model : IOP-MBAP-XACX_C1

With 2 M12 aperture specifications
 With 2 M16 aperture specifications
 With two M20 aperture specifications

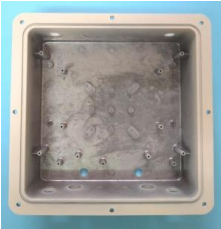

15 screw posts can be provided
 for common assembly of PCBA
 of multiple products

Under Cover design support :

- PCBA Mainboard Fixing Screw Column * 4
- Ethernet Lightning Surge Protection Board Fixing Screws * 3
- Ethernet or DC Lightning Surge Protection Board Fixing Screws * 2
- Interference Partition or PCBA Fixing Plate Fixing Screw Column * 4
- Spare heat conducting screw column * 2

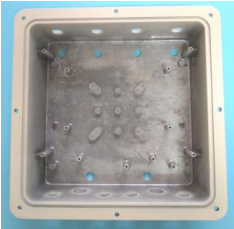

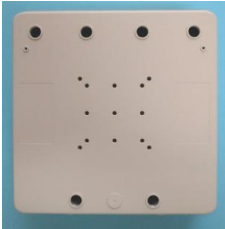

Model : IOP-MBAP-XACX_C2

			<p>Under Cover design support :</p> <ul style="list-style-type: none"> -- PCBA Mainboard Fixing Screw Column * 4 -- Ethernet Lightning Surge Protection Board Fixing Screws * 3 -- Ethernet or DC Lightning Surge Protection Board Fixing Screws * 2 -- Interference Partition or PCBA Fixing Plate Fixing Screw Column * 4 -- Spare heat conducting screw column * 2
<p>With 2 M12 aperture specifications With 4 M16 aperture specifications With two M20 aperture specifications</p>	<p>15 screw posts can be provided for common assembly of PCBA of multiple products</p>		

Model : IOP-MBAP-XACX_C3

			<p>Under Cover design support :</p> <ul style="list-style-type: none"> -- PCBA Mainboard Fixing Screw Column * 4 -- Ethernet Lightning Surge Protection Board Fixing Screws * 3 -- Ethernet or DC Lightning Surge Protection Board Fixing Screws * 2 -- Interference Partition or PCBA Fixing Plate Fixing Screw Column * 4 -- Spare heat conducting screw column * 2
<p>With 2 M12 aperture specifications With 6 M16 aperture specifications With two M20 aperture specifications</p>	<p>15 screw posts can be provided for common assembly of PCBA of multiple products</p>		

Model : IOP-MBAP-XACX_C4

			<p>Under Cover design support :</p> <ul style="list-style-type: none"> -- PCBA Mainboard Fixing Screw Column * 4 -- Ethernet Lightning Surge Protection Board Fixing Screws * 3 -- Ethernet or DC Lightning Surge Protection Board Fixing Screws * 2 -- Interference Partition or PCBA Fixing Plate Fixing Screw Column * 4 -- Spare heat conducting screw column * 2
<p>With 6 M12 aperture specifications With 8 M16 aperture specifications With two M20 aperture specifications</p>	<p>15 screw posts can be provided for common assembly of PCBA of multiple products</p>	<p>M12 Type have 6 Holes</p>
